Invacare® At'm Take Along Chair

Yes, you can.®

Wherever you're going, the At'm chair goes, too. It's the power chair lightweight and compact enough to fit in the trunk of a car; simple enough to assemble in 60 seconds; and powerful enough for a full day of adventure. How easy is it to set up an At'm power chair? If you can set up a lawn chair, you're ready. No mobility lifts, no tools – just three easy pieces to assemble. Open the seat, snap it on the lightweight base, add the battery and go! No wonder we call the At'm the Take Along Chair!
