

INVACARE®

Leo™ Scooter

The Invacare® Leo™ 4-Wheel Midsize Scooter offers a smooth, safe drive that is easy to maneuver. Features include a 350 lb. weight capacity, standard full lighting package, built-in splash guards to protect the electronics and transaxle, comfortable seating that swivels and slides and flat free tires. With a sophisticated design and impressive features, the Leo Scooter **will get you where you're going in style!**

Note: Do not operate on roads, streets or highways.

Features

Quick Adjust Tiller

Infinitely adjustable tiller allows user to suit their needs. Charger port is conveniently located on the tiller.

Intuitive Control Panel

Offers large buttons that are easy to operate and bright lights that are easy to distinguish.

Full Lighting Package

Standard LED headlights and rear brake lights provide increased visibility.

Note: Do not operate on roads, streets or highways.

Accessories

Large Mirror

Removable mirror can be mounted on the left or right.

Safety Flag

Bright orange flag makes the scooter easy to see from a distance.

Lockable Front Box

Secure box for valuables comes in blue or silver to match the scooter.

Rear Basket

Large basket is ideal for storing extra items.

Crutch and Cane Holder

Keeps a crutch or cane stable during transit and within reach.

Oxygen Holder

Safe storage of oxygen during transit.

Walker Holder

Keeps a walker secure during the drive.
