Wildcat 450

Folding Power Wheelchair

WILDCAT450BK24SS

24", Sling Seat, Black, 1/cs

FEATURES:

- Heavy duty mobility for users up to 450 lbs.
- Lightweight steel frame can be folded to a compact 13" width for easy portability and storage.
- General foam seat cushion included.
- Oversized padded, flip-up armrests allow for easy transfers and access to user. Armrests are also height adjustable.
- Adjustable length controller mount can be affixed to either the left or right armrest and can be fitted with an optional swing-away arm for additional flexibility.
- Standard swing-away footrests can be flipped up out of the user's way and height adjusted.
- Soft plastic skirt guards eliminate sharp edges against client and clothing.
- Nylon seat and back upholstery offers more breathable seating surface, reducing heat and moisture buildup.
- Standard calf strap adds additional support for legs.
- Fold-down backrest makes it easier for storage and transport, plus it offers additional access to user for an attendant or caregiver.
- Rear anti-tip wheels for added safety.
- Seat back storage pouch, handy storage for any take-along items for user or caregiver.
- Chair can be fitted with optional elevating legrests allowing the user to travel comfortably with their legs raised—a necessity for those with some medical conditions, such as edema.
- Standard positioning belt for added user security.
- Manual wheel locks offer additional security and safety.
- Programmable controller with common connectors is easy to service and setup and can be personalized for individuals with special requirements.
- Flat-free, non-marking tires offer worry free travel.
- 450 lb. Weight Capacity
