ABOUT US

MEDITUB™ THERAPEUTIC WALK-IN TUBS WILL BRING BACK THE SAFETY AND SECURITY OF PEACEFUL BATHING ONCE AGAIN. IF YOU HAVE BEEN DEPRIVING YOURSELF OF A LUXURIOUS BATH OR SHOWER BECAUSE YOU ARE UNABLE TO STEP OVER YOUR TUB OR YOU ARE AFRAID OF THE RISK OF SLIPPING, THEN MEDITUB IS YOUR SOLUTION.

STANDARD FEATURES

ENJOY THE LUXURY OF A SIMPLE, SAFE, COMFORTABLE AND CONVENIENT WALK-IN TUB FROM MEDITUB™. THERE IS A SAFE WAY TO GET IN AND OUT OF THE TUB WHEN YOU OWN A WALK-IN BATHTUB. MAKES WARM BATHS OR SOOTHING SHOWERS ACCESSIBLE TO PEOPLE WHO THOUGHT THEY WOULD NEVER ENJOY THE LUXURY OF BATHING ON THEIR OWN AGAIN. THE WALK-IN TUB DOOR, LOW-ENTRY STEP, BUILT-IN GRAB BAR AND SLIP RESISTANT FLOOR ARE JUST A FEW OF THE FEATURES THAT MAKE INDEPENDENT BATHING SECURE. THE BUILT-IN SEAT ALLOWS YOU TO CONVENIENTLY EXPERIENCE A COMFORTABLE, FULL BODY SOAK WITHOUT THE RISK OF FALLING. OUR TUBS ARE PERFECT FOR SMALL BATHROOMS, EXISTING SHOWER STALLS, MOBILE HOMES OR SMALL AREAS THAT A CONVENTIONAL TUB CANNOT. AIR SWITCH FINGER TIP CONTROLS MAKE ADJUSTING WATER FLOW AND JET OPTIONS AS EASY AS TOUCHING A BUTTON.

FRONT DOOR AND WHEELCHAIR-ACCESSIBLE HANDITUBS

OUTWARD SWINGING DOOR MAKES THE TUB EASIER TO ACCESS FOR THOSE THAT USE WHEELCHAIRS. AVAILABLE AS A SOAKER WITH OPTIONAL JETS AND AIR MASSAGE. MEDITUB™ FRONT ACCESS WALK-IN TUB WILL AGAIN ALLOW YOU TO ENJOY THE PLEASURES OF INDEPENDENT BATHING. OUR TUBS ARE DESIGNED AROUND YOUR CONVENIENCE AND COMFORT FOR YOU TO BE ABLE TO BATHE EASILY. OUR WALK-IN TUBS ALLOW YOU TO ENJOY A COMFORTABLE SOAK AND THE STIMULATING BODY MASSAGE WITHOUT STRUGGLING TO GET UP OR DOWN AND IN AND OUT OF THE TUB.

IS A DIVISION OF

F.A.Q.

HOW DOES THE WATER TIGHT DOOR WORK?

The MediTub™ water tight door seal system forms a hydrostatic seal when compressed by latching the door. Additionally, the weight of water inside the tub further compresses the door seal making it completely leak proof. MediTub™ guarantees the door seal for life.

DOES MEDITUB HAVE SAFETY CERTIFICATION?

Yes! MediTub™ is one of the only walk-in tub companies that have UL, ETL & IAPMO safety ratings and certifications. If your installer or county inspector requires proof of certification prior to purchase we are happy to provide you with documentation.

CAN A WALK-IN TUB ALSO BE USED AS A SHOWER?

Yes! Our Roman tub faucet set comes with a hand-held shower head which mounts onto the deck of the tub. If you choose, the hand held shower head can easily be mounted on the wall, giving you one more reason to love your walk-in tub!

HOW IS THE WALK-IN TUB INSTALLED INTO MY EXISTING BATHROOM?

The installation is very easy. You don't need to remodel your bathroom since our tubs fit into a traditional 60 inch tub space. Selected models include an extension kit to perfectly complete a retro installation. Our tubs come in both right hand and left hand models to accommodate any bathroom layout.

IS THERE ANYTHING INSTALLER NEEDS TO KNOW BEFORE OUR TUB IS DELIVERED?

The installer will need one dedicated 20 amp circuit on a GFI. Complete installation instructions and a Product Manual are provided with each purchase.

IS THERE A WARRANTY WITH MY MEDITUB'S WALK-IN TUB?

MediTub™ walk-in bath tubs are covered by our 15 year complete and comprehensive warranty. Our friendly customer service representatives are ready to help with all aspects of your walk-in tub, even years after your purchase! In addition to your 15 year warranty, you also have a LIFETIME guarantee on the seal of your door. We proudly stand behind our high quality product, and any problem is professionally handled by our customer service department.

FUNCTIONS

AIR MASSAGE THERAPY

The premium air system comes with warm inviting air bubble massage jets and is adjustable up to three speeds. Air system is assembled with self cleaning purging system and also includes a free internal heater. The air system is a perfect cure for a tired body and stressed mind. Within just a few minutes the air bubbles will revive and waken your spirits.

HYDRO MASSAGE OPERATION

The Deluxe Hydro Massage system includes a 1HP pump, directional and adjustable water jets and a FREE inline heater. The hydrotherapy system is simply accessed by the control button, which is located within arms reach. The relaxing and therapeutic hydro jets embrace and comfort your body with ease.

EXTENSION KIT

An extension kit is available with most of our tubs. This allows any of our tub models to fit into a standard 60" tub stall. The panel installs quickly and will eliminate the gap between our tub and the wall. The extension panel shelf can be used to hold soaps, shampoos, toiletries and other bathing accessories.

INLINE HEATER

The water jetted tub will keep the water temperature at a constant level throughout your entire bath session to ensure a more relaxed and soothing bathing experience.

FAUCETS

Decorative faucet design with 3/4" ceramic cartridge combines traditional elegance and contemporary style, adding a blend of modern elegance and chic to your bathroom. Meditub faucet set is equipped with an extendable shower head and a pop-up rod that enhance bathing experience with luxury and comfort.

AROMATHERAPY

Technique in which essential oils from plants are used with the intention of preventing or treating illness, reducing stress, or enhancing well-being. See, all essential oils, or volatile oils, are aromatic, meaning they have a fragrance. This is because the nerve endings in your nose pick up the scent molecules from the essential oils, and transport them directly to the brain. This is where the relaxation begins and the stress ends.

CHROMATHERAPY

The science that uses the colors to modify or to keep the vibrations of the body in a frequency that results in health, welfare and harmony. Each color possesses frequencies of a specific vibration, and each vibration has characteristics related to different physical symptoms.

HEADREST PILLOW

Sit back and fully relax your body and enjoy your bathing experience with this comfortable walk-in bathtub pillow. This pillow is mounted on the head rest area of a walk-in bathtub. Ergonomic shape will ensure comfort and stability.

DETAILS

CONTROL BUTTONS

BUTTON ONE: Turns the water jets and inline heater on and off.

BUTTON TWO: Turns on air jet system.

NOTE: If you do not have a dual system you will only have one button on your unit
Door Operations Door Lock. The lock ensures that the door remains closed at all times, providing a water tight seal.

Model 3053RWDC (faucets are not included)

WARRANTY INFO

This 15-year warranty is extended to the first user to be free from defects in workmanship and material under normal use and conditions for 15-year from the date of the original purchase. This warranty relates to all fitting and components included with the tub from the manufacturer. Different warranty periods apply. The tub and all its components, including the pump and electric parts, are covered during the first year. All labor and repair-related services are covered within the first ninety day days of purchase. The bathtub shell, frame and finish are covered by a 15-year warranty. The finish warranty does not apply to fading, cracking, delaminating or blistering due to excessive wear, sun fading or scouring due to cleaning. All supported equipment, motors, electronic controls, waste and overflow and all plated finishes are covered by a limited one year warranty. This warranty is non-transferable and applies only to the original owner. Should service be required for any reason of any defect or malfunction of the product during the first year, manufacturer will replace or repair the part of product without charge subject to verification of the defect or malfunction. Notification MUST BE sent via certified mail to 100 E Mineola Ave, Valley Stream, NY 11580. The manufacturer will not be responsible for any water damage to structures or property for any reason (including but not limited to manufacturer defects or improper installation). Manufacturer will assume no responsibility for the loss of the system, inconvenience due to loss, damage to real or personal property or any other consequential damage. Manufacturer will not be liable for any incidental expenses or material charges in connection with removal or replacement of the purchased part or any part or parts of the system. This warranty shall not apply to any type of failure resulting from negligence, abuse, misuse, misapplication, improper installation, alternation or modification, chemical corrosion or improper maintenance. There will be a charge for replacement parts or replacement of the entire electrical unit if the defective unit is returned for any of the reasons listed above.

NOTE: within the limited one year warranty, there will be a prorated charge for any electrical and plated replacements parts, including shipping and handling charges.

Manufacturer reserves the sole authority to make any type of warranties or representations concerning its products and will not be responsible for any warranties representations made by outside sources, including dealers, retailers, distributors or contractors. Manufacturer does not warranty the installation of any of our products including Walk-In Baths, shower pans or shower stalls. Items include all plumbing or electrical related connections. Improper or negligent installation of the product of other components, alternation made of, or alternations or modications to the system, may cause the product or the system to malfunction. Such problems are not covered by warranty. Manufacturer warranties the door seal for the life of the unit under normal use and conditions. This warranty shall not apply to any failure resulting from negligence, abuse, misuse, misapplication, alternation, or modication or improper maintenance.

The replacement door seal will be issued to the end user and it will be the responsibility of the end user to determine the means of installation. Manufacturer will not be liable for any incidental expenses or material charges in connection with removal or replacement of the door seal.

TO THE EXTEND PERMITTED BY LAW, ALL IMPLIED WARRANTIES INCLUDING THOSE OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE HEREBY DISCLAIMED. MEDITUB AND SELLER HEREBY DISCLAIM ANY LIABILITY FOR SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES.

Some states/provinces do not allow limitations on how long an implied warranty lasts, or the exclusion or limitation special, incidental or consequential damages, so these limitations and exclusions may not apply to you. This warranty gives you specific legal rights. You may have other rights, which vary from state/province to state province. All lawsuits must be filed in Nassau County, N.Y. Tub is for residential use only. Must be installed by a certified plumber.

CONTROL BUTTONS

BUTTON ONE: Turns the water jets and inline heater on and o.
 BUTTON TWO: Turns on air jet system.

1ST PRESS: The blower starts at maximum speed.

2ND PRESS: Medium speed.

3RD PRESS: Minimum speed.

4TH PRESS: The blower turns on.

NOTE: If you do not have a dual system you will only have one button on your unit Door Operations Door Lock. The lock ensures that the door remains closed

at all times, providing a water tight seal.
