LIFT CHAIR

Shoprider, the original brand of power mobility, continues to stand for quality and product innovations with the introduction of the NEW Shoprider Lift Chair.

The NEW three positions Lift Chair from Shoprider is attractively designed, with many color choices that are sure to complement any décor for years to come. With its stylish comfort, affordable price tag and dependable performance year after year, the Shoprider Lift Chair is the smart and practical choice for increased independence to the elderly and or disabled.

The sophisticated design of the NEW Shoprider Lift Chair possesses a heavy duty steel lift actuator and scissor mechanism. Not only does it allow for a smooth transition from sitting to sleeping to standing, but it flows in motion quiet and comfortably.
